**SECTION 6: THE GAME**

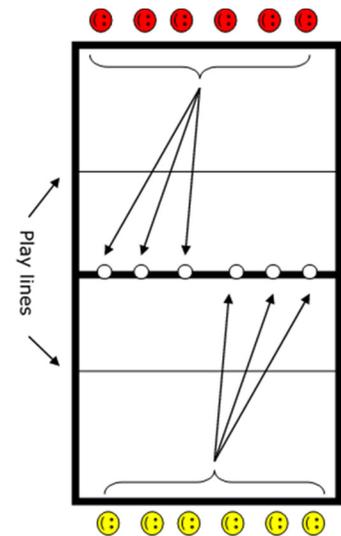

- 6.1 The object of the game is to eliminate all opposing players by getting them "OUT". This may be done by:
- A) Hitting an opposing player with a LIVE thrown ball below the shoulders. (See further clarification under Illegal Hits.)
  - B) Catching a LIVE ball thrown by your opponent.
- 6.2 LIVE BALL – A ball that has been thrown and has not touched anything, including the floor/ground, nets, another ball, another player, official, or other item outside of the playing field (wall, ceiling, etc)

**SECTION 7: TIMING AND WINNING A GAME**

- 7.1 Length of Game: 3-minute time limit has been established for games in ALL divisions.
- 7.2 The first team to legally eliminate all opposing players will be declared the winner for that game. If neither team has been eliminated at the end of 3 minutes, the team with the greater number of players remaining will be declared the winner.
- 7.3 In the case of an equal number of players remaining after regulation, a 1-minute sudden-death overtime period will be played. The first team to out an opponent is declared the winner.
- 7.4 Due to tournament time constraints, officials may adjust this time limit. The Tournament Director reserves the right adjust the length of any game in the interest of the tournament schedule. A public announcement will be made if the length of gam has been adjusted.

**SECTION 8: START OF PLAY**

- 8.1 Game play begins by placing the six (6) dodgeballs along the center line – three (3) on one side of the center hash and three (3) on the other. Players then take a position behind their end line.
- 8.2 Following a signal by the official, teams may approach the centerline to retrieve the balls. This signal officially starts the contest.
- 8.3 Teams may only retrieve the three (3) balls to their right of the center hash.
- 8.4 Once a ball is retrieved it must go behind the play-line before it can be legally thrown.
- 8.5 Once the ball goes behind the play line, it can be taken anywhere in the court area. Failure to comply will result in the violator being called out.

**SECTION 9: BOUNDARIES**

- 9.1 During play, all players must remain within the side boundary lines. Stepping out of bounds will result in that player being called out.
- 9.2 Players must also remain on their side of the court. Stepping over the center line will result in that player being called out.
- 9.3 Players may leave the court behind their end-line to retrieve stray balls. They must also return through their end-line.
- 9.4 End-line areas are “at your own risk”. Players hit while behind the end line will be called out, and **any balls caught behind the end-line will be considered a hit and not a legal catch.**
- 9.5 The use of Tournament ball runners will be determined prior to game play, whose job is to collect stray balls. Stray balls will be placed in a designated area behind end lines or returned to the referee, for throw in, whichever is closer.
- 9.6 All players who are out must remain off the court until called back into play.

**SECTION 10: RE-ENTERING THE GAME**

- 10.1 Players that are out may re-enter a game when a teammate has caught a LIVE ball and calls out their name.
- 10.2 Entry is made from the designated court entry area and may be controlled by a referee.

**SECTION 11: TIME OUTS & SUBSTITUTIONS**

- 11.1 Each team will be allowed one (1) 30 second timeout per game, after 30 seconds of game time have passed.
- 11.2 During this time a team may substitute no more than 3 players into the game.
- 11.3 Substitutes can also enter a game when a team member catches a LIVE ball and calls their name, so long as there are no more than 6 team members playing at any given time.

**SECTION 12: REST PERIOD**

- 12.1 There will be a minimum one (1) minute rest period between each game or sudden death play.

**SECTION 13: 5-SECOND VIOLATION**

- 13.1 In order to reduce stalling, a violation will be called if a team controls all six (6) balls on their side of the court for more than 5 seconds.
- 13.2 A violation will result in the referee stopping play and all balls placed back on the center line.

**SECTION 14: ILLEGAL HITS**

- 14.1 Headshots resulting from a high thrown ball will result in the thrower being called out.
- 14.2 If a player is hit in the head while ducking or dodging low, the player and not the thrower will be called out—the final determination is at the discretion of the lead referee.
- 14.3 The referee may elect to suspend or stop a game for head shots, if deemed necessary.

**SECTION 15: PLAYER CONDUCT AND ISSUING YELLOW AND RED CARDS**

- 15.1 A player who intentionally kicks a ball is out.
- 15.2 In order to promote fair and safe play, referees and tournament officials can offer verbal warnings, yellow and red cards to a player for unsportsmanlike conduct such as unnecessary roughness, foul language, taunting another player or fan, arguing with a referee or any other behavior detrimental to fair play.
- 15.3 A yellow card is an official warning and player must sit out the current game.
- 15.4 If a player is issued a second yellow card, the player must sit out the remainder of the current match.
- 15.5 Upon a third infraction resulting in a card, the player will be issued a red card and ejected from the tournament. That team must play with a man down for the remainder of the tournament.
- 15.6 Players can be issued cards while as spectators if a referee or tournament official deems their behavior to be not in keeping with the Code of Conduct.

**SECTION 16: RULE ENFORCEMENT AND “HONOR SYSTEM”**

- 16.1 Up to five (5) referees may officiate a particular game, however, each player will be expected to play by the “honor system”, especially as it applies to hits and eliminations.
- 16.2 Referees will enforce all rules and may consult the Tournament Director(s). All referee decisions are final.

**SECTION 17: MATCH PLAY**

- 17.1 A match consists of three games.
- 17.2 The first team to win two games will be declared the winner of the match.

**SECTION 18: BALL CONTROL AND BALL STRIKES**

- 18.1 A ball can OUT only one (1) person per throw.
- 18.2 A ball that bounces off a person and then hits another person is considered a dead ball to the second person. Only the first person hit is out.
- 18.3 Once a ball hits ANYTHING (floor, wall, net, ball, etc.), it is considered dead.
- 18.4 A ball that is bobbed before being stabilized by the catcher, is considered a caught ball, and the thrower is called out, providing the ball does not touch anything else before the catcher stabilizes it. If, during the “bobble”, the ball touches ANYTHING other than the player catching it (such as the net, wall, another ball etc.) the catcher is called out and not the thrower.
- 18.5 Clothing and accessory hits count as an out. Players oftentimes do not feel the ball when it skims their clothing. The referee will notify a player if a ball has hit their clothing or accessory.
- 18.6 “Kamikazees” or “Suicides” are allowed. These types of plays involve a player jumping over the center line in order to get closer to an opponent before throwing the ball. The thrower will be called out once he lands on the other side, but is taking that risk in hopes of getting his opponent out before landing.

**SECTION 19: END AND CENTER LINES**

- 19.1 End lines are not considered out of bounds, although players should only be in the end zone area to retrieve balls and not use it as part of the playing court.
- 19.2 Players coming in contact with a thrown ball while in the end zone will be called out even if they catch it.
- 19.3 Players can get so caught up in the game that they are unaware of the end line. A referee may choose to do a courtesy reminder to watch the end line.
- 19.4 Players are not called out for reaching over a boundary or center line. It is only considered out of bounds if a part of their body touches the ground on the other side of the line. Steps on the line are okay as long as it does not go past the line.
